CATA's **RideShare Program**

RideShare is a free program that helps commuters find easy and economical ways to get to and from work. *CATA* uses a computerized, web-based program to match individuals from the surrounding communities who share the same commute to or from the Centre County area. It is convenient and flexible. AND – for emergencies or extended workdays, *CATA* has established a **Guaranteed Ride Home** Program. You will be provided a rental car or taxi ride to your destination (up to 50 miles). Save money, reduce stress and improve the environment by sharing a ride. It really works!

For additional information, visit our website at www.catabus.com or call Terri Quici at 238-CATA ext. 131.

***Tired of Paying High Gas Prices?
Ready to Say Enough is Enough?***

Sign up for RideShare, CATA's free,
no-obligation carpool program!

Learn how to save money, save time,
reduce stress, and make new friends on
your daily commute!
